Please attach a separated sheet with your residency project proposal. The proposal should include population you wish to work with (if appropriate), any special accommodations that would be necessary to complete proposed project and statement of intended impact.

PLEASE REMEMBER TO SUBMIT THE FOLLOWING (By January 15, 2012):

- o Application form
- o Ten labeled recent images of your work in .jpg or .tiff format or link to artist website
- o Personal resume including information about past work and names and contact information for two references
- o Proposal of project(s) planned for residency, including special accommodations or supplies needed to successfully complete project(s). Artist should also identify specific target population he or she intends to reach.

Notification of acceptance will be mailed by March 15, 2012
